

Natural paint against spots REMIO 618

| | |
|-----------------------------|---|
| Range of application | For absorbant mineral supports in interior (walls, ceilings, timber and OSB boards, etc). |
| Technical qualities | Pigmented in white. Elastic, able to breathe, matt, water resistant, fast drying. Good adhesion to the support. It eliminates spots of the support (smoke, etc.). |
| Full declaration | water, chalk, isoaliphates, ester of cooked linseed oil y natural resin, dammar, titanium white, infusorial earth, siccatives without lead, micronized wax, bentonites, lecithine of soybean and lemon-oil. |
| Color | White. |
| Dilution | Ready for use. |
| Preparation | The support must be dry, firm, clean and free of fats, resins and dust. Cover the holes with suitable putty, for ex. VEDO 440 in walls, ANAVO 628 in wood. The humidity of the wood must be inferior to 15%. |
| Application | Application to roller, broaches or pistol. |
| Consumption | 1 lt without diluting covers approx. 10 ² , that is to say, 100 ml/m ² . Determine the exact consumption by means of tests. The thickness in dry of each layer does not have to surpass 50 µm. |
| Density | Aprox. 1,29 gr/ml. |
| Drying time | A 23°C y 50 % de humedad ambiental, seco al polvo al cabo de aprox. 3 horas; para lijar y repintar, aprox. 48 horas. |
| Clearing up | Clean the tools immediately after the use with SVALOS 222 ó LEVO 997. |
| Safety advice | Assure sufficient ventilation after the application. The cloth, sponges, dust of sandpapering etc. impregnated with non-dry REMIO will keep in metallic package hermetically closed or water, since exists risk of spontaneous combustion due to its vegetal oil content. The product in himself is not auto-inflammable. It contains limoneno and salts of cobalt (2+). It can bring about allergic reactions. |
| Disposal | According to locally regulated laws. |
| Container sizes | 0,75 lt; 2,5 lt; 10 lt. |
| Storage | In fresh and dry place. Without opening, to conserve at least 2 years. Close the begun packages well. |

LIVOS products contain organically sourced ingredients and are never tested on animals.
