

PH-Neutral Cleaner TRENA 556

Application range	For all treated surfaces in household, but not for untreated wood and wooden surfaces.
Technical qualities	Highly concentrated and very economical. Phosphate, soap, formaldehyde and solvent free. It is suitable for the allergy-prone because it is without any smell and essential oils.
Full declaration	Water, Reetha (soapnut) extract, sugar fatty acid condensate and citric acid.
Application method	Add a maximum of 10 ml (1 tablespoon) of TRENA in 10 l of water and clean damp, but not wet.
Specific gravity	Approximately 0.99 g/ml.
Safety advice	For a new shine and floor maintenance, use by every 4th to 5th cleaning GLANOS Natural Liquid Wax Cleaner No. 559 instead of TRENA. The natural raw materials might cause precipitation, but this does not affect the quality of the product. When the concentration is too high, it can lead to a mat or raw surface. Keep out of the reach of children. The anionic surfactants are according to the detergent by-law 648/2004, biodegradable. Non-ionic surfactants: less than 5 %.
Disposal	According to locally regulated laws. Packaging: Made of polyethylene (PE). This material is ground water neutral and recyclable.
Container sizes	0.25 l; 1 l; 2.5 l; 30 l.
Storage	Cool and dry. Please see label for expiry date.
